

PRIVACY POLICY

UCDN demonstrates its commitment to customers' privacy by providing this statement. We will do everything in our power to ensure your right to privacy. We are committed to developing long lasting relationships that are built on trust. UCDN will never violate that trust.

Personal Data Transmissions Are Encrypted.

When you order from UCDN, all your personal information is protected. We use Secure Sockets Layer (SSL), the industry standard, for encrypting all personal information. UCDN Will Not Sell Your Personal Information. UCDN keeps all your information confidential.

Policy Changes.

UCDN is dedicated to providing the best content delivery network service possible to every one of our clients. We are also dedicated to staying on top of available technology. While UCDN strives to provide our clients with reasonable notification, UCDN reserves the right to change its policy at any time to meet the needs of our customers, changing laws and new technology.

Cookie Policy Statement.

UCDN understands that many of you are concerned about cookies. We provide this Cookie Policy Statement to let you know how we use this technology. UCDN uses cookies to help us improve our website and web hosting services, and, most importantly, provide our existing customers with the opportunity for continued savings and increased convenience. By using UCDN's website you specifically agree to this policy.

Cookies For Improving Our Web Site.

UCDN uses cookies to inform us of a repeat visit. The cookie does not tell us who you are, your name, email address, or passwords.

Cookies For Banner Rewards Program.

To offer our customers continued savings, UCDN uses cookies to help monitor the traffic generated from UCDN banners and logo buttons displayed on third-party websites. For every new UCDN customer that was introduced to UCDN through an affiliated third-party website, our affiliate may receive a credit.

Cookies For Customer Account Management.

For our customers, UCDN uses cookies to store user names for added convenience to the Webmaster. As part of our service offerings, UCDN offers password-protected, web-based management tools. By storing the customers' Usernames in a cookie, the

user will not have to keep filling out form fields when they desire to manage their account. (The cookie does not store Passwords.) UCDN is dedicated to using the newest technologies in order to simplify our customers' lives.
